Re: *USA v Jason Roper*, 22 Cr 317 (PMH)

Your Honor:

I am writing for permission to file the sentencing memorandum for Jason Roper late, specifically on April 4, 2023. Mr. Roper is currently scheduled to be sentenced on April 20, 2023.

There are two reasons for this request. First, accustomed to filing sentencing submissions two weeks in advance of sentencing, I apparently overlooked that this Court stated at the plea that this Court instead directs parties to make such submissions three weeks in advance. This was an oversight and I apologize. But secondly, I have been awaiting a report from an assigned mitigator, which was just received after 11 p.m. last night. Now that I have the report, I can complete my sentencing memorandum and review it with my client. The next day I can meet with my client at Essex County Correctional Facility is Tuesday, April 4th.

For these reasons, I ask for permission to file the defense submission on April 4, 2023.

Very truly yours,

/s/
